Category-wise merit-based choice of the candidates could be one of such criteria for the allotment of constituent colleges.

1.0 ICAR AIEEA (PG)-2020 AND ONLINE COUNSELING

The Indian Council of Agricultural Research (ICAR)'s AIEEA (PG)-2020 examination was conducted by National Testing Agency (NTA) on 23.09.2020 for admission to 97 different Sub-subjects in different disciplines of Agriculture and Allied Sciences running in the accredited universities under the ICAR-AU System. Based upon rank of candidates in the Major Subject Group-wise All India Merit List and availability of seat in a particular Sub-subject/discipline opted in the desired university, ICAR shall award 600 ICAR PG Scholarships to the eligible candidates.

It was decided in the 234th meeting of the Governing Body of ICAR held on 25.06.2015 that admissions through the entrance examination conducted by the ICAR shall not be allowed for non-accredited colleges from the Academic Year 2016-17. The online counseling for admission to different disciplines of Agriculture and Allied Sciences in Agricultural Universities was also introduced by the ICAR w.e.f. the Academic Session 2017-18.

For the Academic Session 2020-21, admissions to 25% seats (100% seats at ICAR-DUs, RLBCAU, Jhansi and Dr. RPCAU, Pusa) in Masters degree programmes will be granted at accredited colleges in 67 accredited AUs (including non-accredited RLBCAU, Jhansi, Kamdhenu University and few non-accredited courses at Dr. RPCAU, Pusa) under the ICAR-AU system. Before choice filling, the candidates must ascertain the fee structure, availability of hostel, date of registration and other requirements with the concerned university.

In the AIEEA counseling for admissions to the Academic Session 2020-21, certain new features such as online document verification system and centralized payment of Seat Acceptance Fee (part of admission fee) have been introduced. Thus, AIEEA-2020 online counseling enormously increases the overall convenience of candidates as **they are not required to physically report to the admitting university during any round of counseling.**

Based on scores generated by NTA for the candidates appeared in the ICAR's AIEEA (PG)-2020 conducted on 23rd September, 2020, Major Subject Group-wise merit based ranks have been generated by ICAR. Candidates declared eligible for counseling will be considered for allocation of Sub-subject/discipline and AU as per ICAR's Online Counseling procedure. The scholarship to the eligible candidates will be granted only after the completion of Counseling (after 31.12.2020).

There is no direct nomination through ICAR in any Master degree programme without appearing in the examination conducted by NTA for ICAR and participation in online counseling conducted by ICAR.

Since the complete process is online, so candidates are advised to read this brochure carefully, regularly check their e-mail and SMS and visit the AIEEA Counseling portal (www.icarexam.net) regularly for updates and other details regarding the online counseling process. No excuse for missing any information will be entertained later.

On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of in-eligibility, etc. Provided the seat(s) have become vacant, these reporting candidates may request for sliding to a better choice in the subsequent round of allotment. However, the candidate will be considered for sliding ONLY to one of the better/higher choices that were given by him/her at the time of online choice filling.

6. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional document requirements, if any, for the allotted course, well in advance, before physically reporting to the finally allotted university at the time of registration or attending classes or as per the “upgraded” university requirements . If the “Upgraded” University/ Course has some additional requirements of documents, then the onus shall lie on the candidate to fulfill all such requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates.

Subsequent round of allotments (2nd and 3rd) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

Subsequent rounds of online counseling will be conducted immediately after online reporting by the university is complete at the end of a particular round of counseling. If a candidate is “Upgraded” during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for “Upgradation”. The Upgradation requests shall be tried first to give the candidates their better choice. Thereafter, the same process for subsequent rounds of counseling will be followed until completion of counseling.

Candidature in such cases shall be rejected summarily. No correspondence shall be entertained thereafter in this regard.

of seat at the time of counseling, will not stake claim for change of subject/University later on after his/her admission is over.

3. All admitted candidates will be required to submit original certificates and mark sheets to the Registrar of the allotted University, otherwise admission may not be granted. All original certificates submitted by the candidates may be sent by the allotted University to their respective Boards and Universities for verification. In case, a candidate wishes to withdraw the original certificates after the admission, he/she shall directly request the allotted University for the same if the university rules so permit. Any temporary or permanent withdrawal of original certificates will be governed as per the concerned University rules. ICAR has no objection if certificates are returned to the candidate after verification at the time of Physical reporting by the candidate to the university.

* 5% reservation in ICAR-PG Scholarship for Physically Challenged (PC) category will be horizontal across all categories, i.e. such candidates would draw PG Scholarship from the GEN/SC/ST category to which they belong. If the PG Scholarship is not available in a particular category to which the PC candidate belongs then the same would be drawn from General category depending upon availability.

Note:

- (i) The admission would be granted under accredited programme(s) of an accredited college(s) under an accredited university except for Dr. RP CAU, Pusa, Bihar where 100% seats (both accredited and non-accredited programmes) and RLBCAU, Jhansi where 100% seats will be filled up through ICAR.
- (ii) The exact title/nomenclature of the degree programme might vary from one university to another. Candidates are advised to enquire the nomenclature of degree programme from the Registrar of university concerned (for contact details, please refer **Annexure-III**) at the time of counseling/while seeking admission.
- (iii) From Academic Session 2017-18, the criteria for ICAR-PG (erstwhile ICAR-JRF) distribution, based on total number of seats in each subject, has been changed to average number of aspirants actually appeared in the AIEEA (PG) in a particular Major Subject Group in the preceding three years. The

number of scholarships is tentative and may vary depending upon the number of candidates actually appeared in the examination in a particular Major Subject.

- (iv) ICAR PG Scholarship shall be awarded only after the completion of online counseling.
- (v) The candidates are informed that in accordance with the decision taken during XVI Meeting of National Agricultural Education Accreditation Board (NAEAB) held on 28.03.2016, the admissions to the Master's degree programmes of RLBCAU, Jhansi shall be made through ICAR's AIEEA (PG). However, it has been decided by the Council that w.e.f. the Academic Session 2020-21, the candidates recommended for admission to these programmes shall not be eligible for the award of ICAR-PG Scholarship and NTS (PG). Such candidates **may be provided** scholarship by RLBCAU, Jhansi from its budget w.e.f. the Academic Session 2020-21.

Similarly, in accordance with the decision taken during XIX Meeting of NAEAB held on 20.03.2017, the admissions to the non-accredited Master's degree programmes or non-accredited colleges of Dr. RPCAU, Pusa shall be made through ICAR's AIEEA (PG). However, it has been decided by the Council that w.e.f. the Academic Session 2020-21, the candidates recommended for admission to these programmes shall not be eligible for the award of ICAR-PG Scholarship and NTS (PG). Such candidates **may be provided** scholarship by Dr. RPCAU, Pusa from its budget w.e.f. the Academic Session 2020-21. The award of ICAR-PG Scholarship and NTS (PG) to the candidates recommended for admission to Dr. RPCAU, Pusa may be considered in future subject to accreditation of such programmes by the Council.

However, the students who are already enrolled in non-accredited Master's degree programmes in non-accredited colleges and received the letter of award of the PG Scholarship and NTS (PG) from the ICAR shall continue to avail the same in accordance with the prescribed rules and regulations of the scholarship issued by the Council in this regard.

The award of ICAR-PG Scholarship and NTS (PG) to the candidates recommended for admission to RLBCAU, Jhansi and Dr. RPCAU, Pusa may be considered in future subject to accreditation of the university, Master's degree programmes and Colleges by the Council.

- (vi) The award of scholarship shall be considered valid only if the candidate actually seeks admission in a particular University, failing which it shall be deemed to have been withdrawn and shall automatically become infructuous.
- (vii) If a candidate finally awarded ICAR PGScholarship at the completion of counseling seeks admission in a university and subsequently leaves the degree programme for any reason, there will be no transfer of such fellowship to the candidate next in merit rank.
- (viii) There is no reservation of ICAR PGScholarship for candidates of OBC (NCL), EWS and UPS category. They would be entitled for ICAR PGScholarship based on overall merit.
- (ix) Candidates eligible for registration and choice filling during counseling and subsequently allotted the seat, may seek admission only during the session for which the examination has been conducted. They are not entitled to claim for admission in other academic sessions/subsequent years based on this year's examination.
- (x) The candidates should note that having 4/5 (BVSc & AH)/6 (10+6, BSc. Ag.) years' UG degree is the essential requirement for admission to Master degree programmes. The candidates having passed with 3 years' Bachelor's degree programme are not eligible for admission through AIEEA (PG) and subsequent counseling except in few courses at two ICAR-DUs, viz. IARI and NDRI, for which the eligibility criteria of the concerned ICAR-DU, including admission of graduates having passed with 3 years' degree, would prevail for admission.
