## 1.0 ICAR AICE-JRF/SRF (Ph.D.)-2020 AND ONLINE COUNSELING

The Indian Council of Agricultural Research (ICAR)'s AICE-JRF/SRF(Ph.D.)-2020 examination was conducted by National Testing Agency (NTA) on 23.09.2020 for admission to Doctoral degree programmes in different disciplines of Agriculture and Allied Sciences running in the accredited universities under the ICAR-AU System. Based upon rank of candidates in the Subject wise All India Merit List and availability of seat in a particular Subject/discipline opted in the desired university, ICAR shall award 300 fellowships [ICAR-JRF/SRF(Ph.D.)] to the eligible candidates.

The centralized admission to 25% of the seats (subject to at least one seat for each discipline having Ph.D. degree programme in the University) of Ph.D. degree programmes in the universities under the ICAR-AU system was introduced w.e.f. the Academic Session 2015-16. Further, it was decided in the 234<sup>th</sup> meeting of the Governing Body of ICAR held on 25.06.2015 that admissions through the entrance examination conducted by the ICAR shall not be allowed for non-accredited colleges from the Academic Session 2016-17. The online counseling for admission to different disciplines of Agriculture and Allied Sciences in accredited Agricultural Universities was also introduced by the ICAR w.e.f. the Academic Session 2017-18.

For the Academic Session 2020-21, admissions to 25% seats (100% seats at ICAR-DUs and Dr. RPCAU, Pusa) in doctoral degree programmes will be granted at accredited colleges in 60 accredited Agricultural Universities (including non-accredited RLBCAU, Jhansi, Kamdhenu University and few non-accredited courses at Dr. RPCAU, Pusa) under the ICAR-AU system. The List of Accredited Universities along with the Contact Details of Registrars for Seeking Admission to Ph.D. Degree Programme at **Annexure-III**. The information on Annual Course Fee (refundable and non-refundable) and hostel fee (without food charges) along with the tentative date of registration at the university is available on the counseling portal ([www.icarexam.net](http://www.icarexam.net)). Before choice filling, the candidates must ascertain the fee structure, availability of hostel, date of registration and other requirements with the concerned university.

In the AIEEA counseling for admissions to the Academic Session 2020-21, certain new features such as online document verification system and centralized payment of Seat Acceptance Fee (part of admission fee) have been introduced. Thus, AIEEA-2020 online counseling enormously increases the overall convenience of candidates as **they are not required to physically report to the admitting university during any round of counseling.**

Based on scores generated by NTA for the candidates appeared in the ICAR's AICE-JRF/SRF(Ph.D.)-2020 conducted on 23<sup>rd</sup> September, 2020 the Subject-wise merit-based ranks have been generated by ICAR. Candidates declared eligible for counseling will be considered for allocation of Subject/discipline and AU as per ICAR's Online Counseling procedure. The fellowship to the eligible candidates will be granted only after the completion of Counseling (after 31.12.2020), when a candidate get admitted and pursues Ph.D. degree in an AU other than the one from where he/she has passed Bachelor's or Master's degree. It implies that not more than two degrees (including Ph.D.) should be from the same AU. The other candidates who are declared/notified as eligible for participation in counseling will be eligible as per their merit rank and availability of seat for admission to Ph.D. degree programme, without fellowship, in the specific subject in the AUs. The above eligibility conditions will also apply to in-service candidates.

**There is no direct nomination through ICAR in any Doctoral degree programme without appearing in the examination conducted by NTA for ICAR and participation in online counseling conducted by ICAR.**

Since the complete process is online, so candidates are advised to read this brochure carefully, regularly check their e-mail and SMS and visit the AIEEA Counseling portal ([www.icarexam.net](http://www.icarexam.net)) regularly for updates and other details regarding the online counseling process. No excuse for missing any information will be entertained later.

The applicant for a particular Subject must satisfy the eligibility criteria as specified in the AICE-JRF/SRF(Ph.D.)-2020 Information Bulletin (or its amendments/corrections) available on NTA website ([www.icar.nta.nic.in](http://www.icar.nta.nic.in)). The eligibility of the candidate for the admission shall be verified by the admitting university on the basis of document uploaded by the candidate. The candidates declared eligible for counseling for the consideration of admission to the AUs would be generally larger than the number of seats available, provided they have achieved the minimum prescribed marks to be decided by the Competent Authority (DDG, Agricultural Education) to get the sufficient number of candidates for counseling and filling the seats. For OBC (NCL), it will be as per Supreme Court directives in this regard.

For certain subjects/courses, the Universities may have different requirements/criteria than those listed in the Table 3 of the AICE-JRF/SRF-2020 Information Bulletin available at [www.icar.nta.nic.in](http://www.icar.nta.nic.in). It is the responsibility of the candidate to check his/her eligibility at the time of counseling with the University where admission is desired. The exact title/nomenclature of the degree programme might vary from one university to another for certain Subjects/disciplines. The candidates are advised to enquire about the nomenclature of degree programme and other details from the Registrar of the concerned university (**Annexure-III**). On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of in-eligibility, etc. Provided the seat(s) have become vacant, these reporting candidates may request for sliding to a better choice in the subsequent round of allotment. However, the candidate will be considered for sliding ONLY to one of the better/higher choices that were given by him/her at the time of online choice filling.

In no case, such "Upgraded" candidate will be allowed to retain the initially allotted seat. **THEREFORE, THE CANDIDATE MUST BE VERY CAREFUL IN EXERCISING THE REQUEST FOR "UPGRADATION".**
5. In reporting module of the University login, all "Upgraded" candidates will be marked as "Admitted" by default by the system. The University will not be able to change their status as Not Reported/Not Eligible. 6. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional document requirements, if any, for the allotted course, well in advance, before physically reporting to the finally allotted university at the time of registration or attending classes or as per the "upgraded" university requirements. If the "Upgraded" University/ Course has some additional requirements of documents, then the onus shall lie on the candidate to fulfill all such requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates.
7. Since there will be only three rounds of counseling, request for "Upgradation" will be permissible only during the first and second rounds. Subsequent round of allotments (2<sup>nd</sup> and 3<sup>rd</sup>) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

Subsequent rounds of online counseling will be conducted immediately after online reporting by the university is complete at the end of a particular round of counseling. If a candidate is "Upgraded" during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for "Upgradation". The Upgradation requests shall be tried first to give the candidates

their better choice. Thereafter, the same process for subsequent rounds of counseling will be followed until completion of counseling.

In case a candidate has been admitted in a subject/programme at a university, any request for change/transfer of subject/university after the completion of counseling, will not be entertained by ICAR. The candidate, once admitted in a degree programme as per his/her merit-rank and availability of seat at the time of counseling, will not stake claim for change of subject/University later on after his/her admission is over.
3. All admitted candidates will be required to submit original certificates and mark sheets to the Registrar of the allotted University, otherwise admission may not be granted. All original certificates submitted by the candidates may be sent by the allotted University to their respective Boards and Universities for verification. In case, a candidate wishes to withdraw the original certificates after the admission, he/she shall directly request the allotted University for the same if the university rules so permit. Any temporary or permanent withdrawal of original certificates will be governed as per the concerned University rules. ICAR has no objection if certificates are returned to the candidate after verification at the time of Physical reporting by the candidate to the university.

**Note:**

- (i) The admission would be granted under accredited programme(s) of an accredited college(s) under an accredited university except for Dr. RP CAU, Pusa, Bihar where 100% seats (both accredited and non-accredited programmes) will be filled up through ICAR.
- (ii) The exact title/nomenclature of the degree programme might vary from one university to another. Candidates are advised to enquire the nomenclature of degree programme from the Registrar of university concerned (for contact details, please refer **Annexure-III**) at the time of counseling/while seeking admission.
- (iii) From Academic Session 2017-18, the criteria for ICAR-JRF/SRF (erstwhile ICAR-SRF) distribution, based on total number of seats in each subject, has been changed to average number of aspirants actually appeared in the AICE-JRF/SRF (Ph.D.) in a particular Subject in the preceding three years. Due to inclusion of 3 ICAR-DUs for admission during the Academic Session 2020-21, some new Subjects were introduced in AICE-JRF/SRF(Ph.D.)-2020. Therefore, the number of candidates appeared (worked out from number of registered candidates) in these new Subjects during this year's examination were taken into account for arriving at average number of aspirants actually appeared in these examinations during preceding three and this year. The number of fellowships is tentative and may vary depending upon the number of candidates actually appeared in the examination in a particular Subject.
- (iv) ICAR-JRF/SRF(Ph.D.) shall be awarded only after the completion of online counseling.
- (v) The candidates are informed that in accordance with the decision taken during XIX Meeting of National Agricultural Education Accreditation Board (NAEAB) held on 20.03.2017, the admissions to the non-accredited Doctoral degree programmes or non-accredited colleges of Dr. RPCAU, Pusa shall be made through ICAR's AICE-JRF/SRF(Ph.D.). However, it has been decided by the Council that w.e.f. the Academic Session 2020-21, the candidates recommended for admission to these programmes shall not be eligible for the award of ICAR-JRF/SRF(Ph.D). Such candidates may be provided fellowship by Dr. RPCAU, Pusa from its budget w.e.f. the Academic Session 2020-21. The award of ICAR-JRF/SRF(Ph.D) to

the candidates recommended for admission to Dr. RPCAU, Pusa may be considered in future subject to accreditation of such programmes by the Council.

However, the students who are already enrolled in non-accredited Doctoral degree programmes in non-accredited colleges and received the letter of award of the ICAR-JRF/SRF(Ph.D) from the ICAR shall continue to avail the same in accordance with the prescribed rules and regulations of the fellowship issued by the Council in this regard.

- (vi) The award of ICAR-JRF/SRF(Ph.D.) to the candidates recommended for admission to non-accredited programmes in non-accredited colleges of Dr. RPCAU, Pusa may be considered in future subject to their accreditation by the Council.
- (vii) The award of fellowship shall be considered valid only if the candidate actually seeks admission in a particular University, failing which it shall be deemed to have been withdrawn and shall automatically become infructuous.
- (viii) If a candidate finally awarded ICAR-JRF/SRF(Ph.D.) at the completion of counseling seeks admission in a university and subsequently leaves the degree programme for any reason, there will be no transfer of such fellowship to the candidate next in merit rank.
- (ix) There is no reservation of ICAR-JRF/SRF(Ph.D.) for candidates of OBC (NCL), EWS and UPS category. They would be entitled for ICAR-JRF/SRF (Ph.D.) based on overall merit.
- (x) Candidates qualified for counseling or allotted the seat, may seek admission only during the session for which the examination has been conducted. They are not entitled to claim for admission in other academic sessions/subsequent years based on this year's examination.
- (xi) For admission to Ph.D. degree programmes through the entrance examination, only the candidates having passed graduation with 4/5(B.V.Sc.&A.H.)/6(10+6, BSc. Ag.) degree programme from any recognized University will be eligible. The candidates having passed with 3 years' Bachelor's degree programme are not eligible for Ph.D. admission through ICAR-JRF/SRF(Ph.D.) and subsequent counseling except at two ICAR-DUs, viz. IARI and NDRI in few courses, for which the eligibility criteria of the concerned ICAR-DU, including admission of graduates having passed with 3 years' degree, would prevail for admission.
