

## NOTICE

**11/11/2020**

For admission to Master degree programmes, candidates must have completed Bachelors degree at the time of online verification of documents by the allotted university. However, due to COVID-19 pandemic, such candidates have been given a one-time relaxation in submission of PDC up to 31.12.2020 for counseling. However, they shall be mandatorily required to upload a certificate from the Registrar of the concerned university specifically indicating *that the candidate shall be completing all the requirements for completion of graduation degree before 31.12.2020 along with mentioning the likely date of issuance of PDC/Degree to the candidate*".

However, this will be a one-time relaxation for the Academic Session 2020-21 only in view of the unprecedented COVID-19 pandemic and shall not be cited as precedence in future for seeking relaxation in production of degree completion requirements on the day of admission in the University by the candidates.

In view of the above, the date and time of registration and choice filling on the online counselling portal has been extended from 5:00 P.M. on 11.11.2020 to **11:59:59 P.M. on 12.11.2020.**
