Dated: 22nd November, 2021

NOTICE

It is for the information of candidates declared eligible to register (Online) for choice filling for the purpose of ICAR's AIEEA (PG) and AICE-JRF/SRF (Ph.D.)-2021 counselling that the extant requirements to produce provisional (PDC)/degree certificate of qualifying graduate/post-graduate examination for admission through these examinations notified in respective Counselling Brochures/Information Bulletins or elsewhere, due to COVID-19 pandemic and considering the larger interest of the candidates, stands partially amended.

As their academic sessions/degree programme were delayed due to COVID-19 pandemic, the date of acceptance of degree completion certificate by the admitting AUs, uniformly whether Veterinary or Agriculture and allied sciences is extended and all such candidates are allowed to submit their PDC/Degree Certificate by 31/12/2021 or at the time of admission/registration in the allotted university whichever is later. One time relaxation is being given by the Council for counselling and PG and Ph.D. admissions (academic session 2021-22).

Rest of the content in respective Counselling Brochures/Information Bulletins or elsewhere in this regard (visit: www.icar.org.in or <https://icarexam.net>) remains unchanged.

This issues with the approval of Competent Authority in the SMD/Council.
