F. No. Agril. Edn.-1(9)/2012-ExamCell-Part(1)

Dated: 5th January, 2023

PUBLIC NOTICE

ICAR has been admitting 100% students for UG, PG and Ph.D. programmes in two Central Agricultural Universities (CAUs) and most of the programmes / subjects / specialization in these CAUs are being introduced gradually over the years as non-accredited entities. To facilitate and secure the future of passed out students with non-accredited entities, a provision and exception had already been made to treat such students for admission in CAUs, like an accredited entity. However, such passed out students (non-accredited) are not considered for admission in the other universities/Deemed universities of ICAR AU System. The matter has been examined and the Competent Authority ICAR has allowed such (non-accredited) passed out students from CAUs (where 100% admission is done through ICAR) for admission in accredited AUs under ICAR-AU system during current Academic Year 2022-23, as a special case and this will not be precedence for the future.

However, such candidates admitted will not be eligible for any ICAR Scholarship / Fellowship.

This issue with the approval of the Competent Authority, ICAR.
